

Our 14-Day Money-Back Guarantee

Customized goods are generally not accompanied by guarantees, but, because It's for the Kids, LLC only uses the best products that we ourselves have tried and wear or use, we offer a 14-day Money-Back Guarantee.

We deliver high-quality products - products that look just like what you created on our site.

If the custom products you receive differ materially from what you created at Itsforthekids.net, if the goods are otherwise flawed or defective, then you may return the custom goods for a full refund or repair or replacement within 14 days of receiving your custom order. All we ask is that you notify us before returning any goods to ensure that your return is handled quickly and accurately.
